

LEGISLATIVE UPDATE

MAY 3, 2013

PUBLISHED FOR LABOR ACTIVISTS BY THE ILLINOIS AFL-CIO

MICHAEL T. CARRIGAN, PRESIDENT

TIMOTHY E. DREA, SECRETARY TREASURER

JASON KELLER, LEGISLATIVE DIRECTOR

The Illinois General Assembly concluded their business today. The Senate will return at 3pm on Monday, May 6th, while the House returns at 12pm on May 7th. Both chambers are scheduled to remain in session through Friday, May 10th, which is also the deadline to pass bills from the opposite chamber out of committee. Labor unsuccessfully attempted to pass responsible bidder legislation (HB 924) out of Senate Labor Committee this week. We will renew our efforts to pass HB 924 next week.

GENERAL ASSEMBLY

House Passes Major Pension Overhaul

The Illinois House took action on a major overhaul of the state's pension systems. The vote to pass SB 1, sponsored by Speaker Madigan, was 62-51-2. SB 1 unilaterally and illegally diminishes benefits for all state retirement systems (except the Judges'), even though the Illinois Constitution specifically states that pension benefits are a contractual right that cannot be diminished or impaired. The legislation makes it impossible for retirees to keep up with rising cost-of-living in retirement. Just through its COLA caps, the bill illegally cuts the value of a retiree's pension between 28% to 31% after twenty years in retirement. On top of that, it also freezes COLAs until age 67 or five years after retirement.

The We Are One coalition released the following statement following passage of SB 1:

"Senate Bill 1 is unfair to the active and retired teachers, nurses, police, and other employees who paid out of every paycheck to fund their pensions, even as the state shorted its share. On top of that, it is blatantly unconstitutional and thus saves nothing. It simply exacerbates Illinois' fiscal problems. In contrast, our coalition had a productive meeting with President John Cullerton, and we hope to be able to continue the dialogue."

The bill could go back to the Senate for its consideration on concurrence, with Senate President Cullerton as the sponsor.

Senate Passes Gaming Bill

Senator Terry Link (D – Lake Bluff) passed another major gaming expansion bill through the Senate this week by a vote of 32-20-1. It would allow five new casinos, including one in Chicago. Additionally, it allows betting games at horse-racing tracks, Midway and O'Hare

airports. Numerous changes were made at convincing Governor Quinn to sign the bill.

The Illinois Revenue and Jobs Alliance released the following statement after the passage of SB 1739. "The Illinois Senate voted today to create thousands of jobs and generate sorely needed revenue for our state. With the passage of Senate Bill 1739 – which includes strong ethical safeguards and oversight – construction workers, farmers, horse breeders and other hard-working Illinoisans can look forward to more opportunities that will help create a brighter future."

The bill now goes to the House, where Leader Lang will sponsor it.
